4. MATTERS FOR DISCUSSION / INFORMATION

4.1 OUTCOMES FROM PREVIOUS MEETING 27 FEBRUARY 2024

Subject: Advice to the Townscape Advisory Committee

Good morning Townscape Advisory Committee,
The following advice is sent on behalf of Torre Evans:

Dear TAC,
Please see below responses from the CEO regarding your last meeting. Regarding trees and vegetation at the Cemetery, where funding is required to allow for procurement and wages, this will be presented to Council at the March Ordinary Council Meeting.

That the Townscape Advisory Committee recommend to the Chief Executive Officer that the Administration be requested to engage Georgina Patterson to apply a mural to the Gnarojin Park toilet block east facing wall, more if possible, the concept similar as to that which was previously installed on the damaged tank, utilising the \$2,500 from the insurance funds from the damaged irrigation tank.

Approved – pls proceed, if the quote from Georgina is slightly above the insurance payout given time and wall material, (noting square metres should be less and should be easier given flat design...) then so authorised up to \$3k plus GST.

That the Townscape Advisory Committee recommends to the Chief Executive Officer that:

*1. The Administration request the preferred artists, Jerome Davenport and Jacob Butler (Shakey), to supply a concept design, as per the themes already recommended by the TAC, for further discussion at the next TAC meeting. Funding for the concept design is to be expensed to the current \$50,000 within the current budget, for public art. Note that the TAC would like a coloured concept, not just black and white. **Approved – subject to also obtaining a firm quote and time limit / availability on that quote of the final cost by each artist with the concept.***

*2. The Administration investigate options for funding towards the preparation of the NRLC wall so that it decreases the cost from the artist overall of with respect to the mural. **Not approved – Council was quite clear that the project was all encompassing, and such cost should be within the scope of the allocated budget. There is no separate 'bucket' of the Shire or Council's Budget that this can be drawn from, subject to of course part 3.***

*3. The Administration investigate ongoing grant opportunities for the development and installation of public art. Regina, pls liaise with Heathways, Lotterywest, CANWA, Dept of Arts / Arts Narrogin etc, and refer also Council Policy No. **11.4 Public Art Contribution Policy** and report back to the Townscape Committee with your findings by the next meeting date – liaise with Torre re that.*

4.2 COUNCIL RESPONSE TO TAC RECOMMENDATIONS – CEMETERY VEGETATION

OFFICERS' RECOMMENDATION AND COUNCIL RESOLUTION 270324.04

Moved: Cr Bartron

Seconded: Cr McNab

That with respect to the Council's Townscape Advisory Committee's recommendations of 27 February 2024, Council resolve that it:

1. Consider in the 2024/25 Budget the funding of:
 - a) Infill replacement trees and further plantings at the cemetery with species being *Agonus flexuosa* and *Ulmus parvifolia*; and
 - b) The planting of native shrubs along the cemetery boundary adjoining Williams Kondinin Road with those shrubs to display colourful flowers, for example *Callistemon*, *Acacia* and *Melaleuca*, at a combined cost of \$7,000 for the purchase and planting of up to 50 trees and 80 Australian native shrubs.

4.3 UPDATE ON PROGRESS OF NRLC MURAL – COMMUNITY DEVELOPMENT COORDINATOR

Stage 1 of the Mural Artwork RFQ 23/24 – 7 project has been successfully concluded. Jerome Davenport and Jacob Butler (Shakey) are poised to commence the fully developed design phase. The allocated budget for this phase is \$3,000, with each artist receiving \$1,500.

The Community Development (CD) Team is actively pursuing additional funding of approximately \$50,000. Funding avenues being explored include reallocating remaining funds from the Lotterywest Grants originally designated for the Narrogin Community Resilience and Recovery Initiative. The initial grant aimed to fund the construction of a sound shelter in Alby Park, along with a mural artwork at the back of it. However, due to unforeseen circumstances, the project became financially unviable as construction costs exceeded the planned budget sevenfold (\$100,000 vs. \$700,000).

If approved, this reallocation could provide \$39,000, complemented by an additional \$10,000 from CBH funds associated with the Lotterywest grant. It is imperative to ensure that the proposed concept aligns with the guidelines set forth by Lotterywest grants for the soundshell project. The design brief calls for a mural depicting the East Narrogin Fires in February 2022, recognising the resilience of the local community and emphasising the strength and connectedness of the volunteers who assisted with fighting the fire.

As per Lotterywest guidelines, the project deadline is set for 23/12/2024, so all works should be scheduled this calendar year.

The TAC is requested to discuss the potential additional grant funding from Lotterywest that may be available from the Sound Shell project, to be put toward the NRLC mural and discuss incorporating a bushfire resilience concept theme to the already decided concept themes – community spirit, local attractions, indigenous and sporting/local events.

TOWNSCAPE ADVISORY COMMITTEE RESOLUTION

Moved: Mr B Seale

Seconded: Ms J Early

The Townscape Advisory Committee endorsed the Administration incorporating Lotterywest funding toward the NRLC mural and including the Narrogin fires and community resilience in the concept design with the other themes of community spirit, local attractions, indigenous and sporting local events.
